

Dear Recipient,

You are in receipt of this letter because somebody thought you worthy.

At Andreia, we work on individual self-empowerment to enable our clients to BE, DO and HAVE whatever there is for them to BE, DO or HAVE. We do not set goals or limits, nor do we judge. Nothing is too hard or too insignificant. We believe the world needs your contribution and our job is to provide guidance and resources that will enable YOU to empower YOU to be the best possible version of YOU.

Andreia is one of the four cardinal virtues of Ancient Greece. It is the virtue of taking the fight to the enemy particularly where the enemy is one's self. Our work is dedicated to helping you develop and strengthen this virtue. Hence the name Andreia.

You are invited to participate in a free two (2) hour Empowerment Interview with John Williams. The purpose of this interview is to help you discover what you need to do to empower yourself. Even if our relationship goes no further than this interview, our guarantee is you will receive overwhelming value for the investment of your time. All we need from you is a willingness to participate fully and not hold back.

To make an appointment please click on this link and fill in the [Empowerment Interview](#) application form and we will get back to you with a suitable time slot.

Thank you for your interest I am looking forward to working with you

John
